HOW TO USE

Share an intimate secret with your lover at home or in public when you turn on the Bnaughty Classic Unleashed Classic. Being naughty never felt this good! With classically multi-purpose bullet styling, the size and shape of the bullet fits against the users' sensitive areas perfectly. It's absolutely ideal for all kinds of external stimulation. The ergonomically designed wireless remote allows the possessor to be in control from near or far.

(5) 5-FUNCTION | PUSH BUTTON CONTROL

The 5-functions are cycled through the click of a button on the ergonomically designed remote which is lit up by a white light for easy play in the dark.

MAINTENANCE

The Bnaughty Classic Unleashed is made from nonporous, body friendly PU coated ABS plastic making it easy to clean and versatile when it comes to choosing lubricants. While the bullet is safe for waterproof fun, the remote is best left out of the tub.

* Don't forget!
Bnaughty Classic Unleashed is a great item to upsell with water based lubricants and toy cleaners!
